HORSE TRADE LEADS TO AN ENDLESS LAWSUIT

A case of more than usual interest was brought before the municipal court judge this morning, with H. M. Barrows as the defendant. The charge was cruelty to animals and Mr. Barrows entered a plea of not guilty. The witnesses for the defense were the defendant and Officer William Reast and those for the prosecution were Ray Grundy, H. L. Lee and Officer C. E. Layne.

According to the testimony, Bar-

rows and Lee engaged in a law suit a couple of months ago over a horse trade. In the trade, Barrows was bested and he had recourse to the law in order to have the trade rescinded. He won the suit and notified Lee to come and get his old horse, but Lee failed to do so. He was then advised by his attorney to take the horse to Lee's place of residence and leave it tied to the fence. He did so and the animal was left there all night. This happened on the night of August 28 and the next morning the police were notified that the horse had been there all night without food or water.

Sergeant C. E. Layne investigated the case and took the horse to a local livery stable, where it died several days later, its death not being directly due to its exposure, but to its general broken down condition. The proprietor of the livery stable presented Officer Layne with a bill for \$15 for the care of the horse while it was there.

The sergeant, in order to find who was responsible for the bill, swore out a complaint against Barrows, charging cruelty to animals. In extension of his act in leaving the horse tied near the Lee residence, Mr. Barrows stated that he notified the family that the animal was there and said that Lee should have taken care of it. He also said that it had been fed and watered a short time before it was tied up.

In summing up the case, the judge stated that the livery stable bill would have to be paid by the man who owned the horse at the time it was in the stable. According to the decision in the civil suit, Lee is responsible for the bill, but as he is to appeal the case to the supreme court if necessary, he said, it is probable that the liveryman will have to wait some time for his money. The complaint against Mr. Barrows was dismissed.

THIRTY-DAY JAIL SENTENCE FOR A DRINKER

Charles Anderson, whose name has appeared on the police court docket frequently this year, was given a thirty-day jail sentence this morning, after pleading guilty to a charge of drunkenness. He was arrested yesterday afternoon on lower Twenty-fifth street by Patrolman William Brown and created quite a disturbance on the way to the police station.

A. E. Chugg, also guilty of drunkenness, was given the alternative of paying a \$15 fine or of passing the next 15 days in jail. In addition to having been drunk it was proven that he was "mooching" on the street.

Andrew Holt, Peter Butler and Will Brown pleaded guilty to charges of drunkenness and were given suspended sentences.

The case of the City vs. Robert Peart was taken under advisement. The defendant was charged with speeding. Later he was refunded his \$10 bail.

John Johnson was given a strong lecture and a sixty-day suspended sentence, after pleading guilty to a charge of drunkenness.

FOUR BOYS HELD FOR THE JUDGE OF THE JUVENILE COURT

Four juveniles, ranging from 10 to 14 years of age, have been ordered to appear before Judge V. C. Gunnell of the juvenile court Saturday morning, on charges of malicious mischief. The complaints against the boys were sworn out by John O'Neill, who alleges that they broke a number of hollow building blocks, which were to be used in the construction of his new home.

The blocks were piled up near the foundation for the residence and the boys are said to have deliberately knocked the pile over. Mr. O'Neill brought the matter to the attention of Officer William Reast and he located the boys yesterday.

Officer Reast also took a juvenile into custody yesterday for firing an airgun in the city. The gun was confiscated for the time being and the boy ordered to appear at the next session of the court.

EAGLES' BIG SHOW PROMISES SUCCESS

A full dress rehearsal of the vaudeville and opera of the Eagles was held last evening in the Orpheum theatre. Everything worked smoothly, the stage settings and scenic effects were fine, and all things gave promise of a smooth and clever performance this evening.

The advance sale is very large, indicating a packed house, and everything points toward a successful performance. Especial credit must be given everybody connected with the affair, as not only are the performances given by amateurs, but it is also the first time these plays and operas have been given on any stage—always a trying thing for professionals.

GERMANS DROP A BOMB IN WARSAW
Washington, Nov. 24.—A bomb from a German airship fell in front of the American consulate at Warsaw early today, breaking the windows of the consulate but injuring no one within, according to a telegram dated today from American Ambassador Marjorie at Petrograd. Several persons in the street in front of the consulate were killed and wounded, but none of them were Americans.

The incident was regarded here as indicating the proximity of the German advance guard to Warsaw. American consuls received instructions early in the war to leave the zones of great danger whenever invading forces arrived in their vicinity.

A deposit slip in his clothing indicated that he had put money in an Addington bank in 1908.
